Re: In the Matter of: Great Lakes Asphalt, Inc.  
Docket No. V-W-89-C-032

Dear Mr. Finton:

The United States Environmental Protection Agency (U.S. EPA) has reviewed your claim that you are not responsible for complying with the Administrative Order Pursuant to Section 106 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9606(a), issued to you, among others, on October 6, 1989. It is U.S. EPA's position that your discharge in bankruptcy dated November 19, 1984, does not cover this matter which has arisen subsequent to the discharge. Therefore, the Administrative Order remains in full force and effect as to you and the other three listed Respondents. You are therefore responsible for compliance with the provisions of the Order.

Very truly yours,

Basil G. Constantelos, Director  
Waste Management Division  
United States Environmental  
Protection Agency
